Hi David! I represent RAI Services Company, which manufactures VUSE electronic cigarettes. I am writing about an item that is pending before the Arts, Parks, Health, Aging & Rivers Committee (e-cigarette). We already met with Star and David, but my client would really appreciate the opportunity to meet with the Councilman directly on this important issue.

My client will be back in town and available for meetings the afternoon on the 23rd, or any time on the 24th before 3 pm. Please let me know if he would be available to meet. Thank you!

I think there is no need. David and I met with them already and we can communicate it to the Councilmember. There wasn't anything special that they brought up to us. Unless David has different thoughts on this??????
